

# GrandPlan Pack™

The GrandPlan Pack™ is designed for businesses that require assistance in planning their strategic direction, taking on major developments such as franchising the business, establishing a new venture, or restructuring the business so it's less reliant on key people.

The GrandPlan Pack™ is a full service package designed to support the business in the crucial stages of its development.

**Grand Plan** > This a full business plan including business analysis, external research, strategic development, strategy implementation plans and 3 years financials.

**Strategic Development** > With the information from the business analysis and external research, the Consultant conducts a facilitated Strategy Session with the key players in the business.

**Project Management Service** > This a pro-active service that assists in coordinating and monitoring the major initiatives set out in the business plan.

**Strategic Review** > The Consultant conducts a half-yearly strategic review of current strategies and discusses major shifts in the operating environment and impact on the strategic direction. The Consultant will also update business plan to reflect any change in direction.

**Our plan is to assist clients to revolutionise their business.**

## How the service works

- step 1** > Week 1-2 – Initial consultation & formulation of the Draft Business Plan.
- step 2** > Week 3-4 – Setting up of KPIs and reporting systems, project plans and business plan finalised.
- step 3** > Months 2-13 – Ongoing support through the Monthly Business Report, Project Management Service, and Strategic Review.
